

AVION

Projektując AVION, myśleliśmy o potrzebach współczesnych liderów i trendach kształtujących obecnie przestrzeń biurową. Stworzyliśmy modułowe rozwiązanie, które dzięki czystej i klasycznej formie wprowadza harmonię do wnętrza i tworzy otoczenie sprzyjające kreatywności i podejmowaniu skutecznych decyzji.

AVION jest modułowym systemem, będącym odpowiedzią na potrzeby i oczekiwania menadżerów poszukujących kreatywnej przestrzeni wokół siebie, która inspiruje. Ekspresywny charakter tej kolekcji wiąże ze sobą lekkość i śmiałość wraz z klasyczną elegancją, która zapewnia ponadczasowość,

a zastosowanie wielu form i materiałów umożliwia dowolne aranżowanie różnych przestrzeni według indywidualnych potrzeb.

By designing AVION we thought about the needs of today's leaders and trends shaping the current office space. We created a modular solution, which by pure and classical form brings harmony to the interior and creates a favorable environment for effective decision making.

AVION is a modular system, which is a response to the needs and expectations of managers looking for a creative space around them, which inspires. Expressive character of this collection binds together the lightness and boldness with a classic elegance that provides timelessness. The use of multiple forms and materials enables any arrangement of different space according to individual needs.

Bei Entwicklung von AVION dachten wir über die Bedürfnisse der heutigen Managers und Trends der aktuellen Büroraumgestaltung. Wir entworfen eine modulare Lösung, die durch reine und klassische Form die Harmonie in das Innere bringt und ein günstiges Umfeld für eine effektive Entscheidungsfindung schafft.

AVION ist ein modulares System und eine Antwort auf die Bedürfnisse und Erwartungen der Manager, die nach einem kreativen Raum, der inspirierend ist, suchen. Der expressive Charakter dieser Kollektion bindet die Leichtigkeit und die Kühnheit mit einer klassischen Eleganz zusammen und daher bietet die Zeitlosigkeit. Die Verwendung von mehreren Formen und Materialien ermöglicht jede Anordnung verschiedener Räumen nach individuellen Bedürfnissen.
